

Announcement

ETI Converting Equipment, Canadian based company, has the pleasure to announce that Mr. Arun Gandhi from **CAPITAL GRAPHIC SUPPLIES** located in New Delhi becomes the Official **ETI CONVERTING** Agent in India. The market knowledge of Mr. Gandhi associated with the ETI expertise will create an excellent synergy to serve and meet the Indian customer's expectations.

ETI Converting equipment's allow label printers to make labels from raw materials. On one complete line, you can siliconize, coat adhesive, print and die-cut into finished labels. The interest of ETI Converting Cohesio and Labeline is to save 30% to 70% on self adhesive material costs. ETI has more than 50 machines installed worldwide to serve different markets such as Health/Beauty, Wine, Beer, Food, etc. Recently the company has installed equipments in United States of America, Germany and Russia.

ETI Converting Equipment will exhibit at Label Expo Americas, Hall C Stand 3622.

For India customer, do not hesitate to contact Mr. Gandhi,
